\_\_\_\_\_ *This should include prior research history, the thesis project, and a brief description of the statistical analysis that will be used for the research project*

\_\_\_\_\_ Ask your Research Mentor to email Dr. Brannon a letter of support

If you have questions about this form or about the application procedure for the Honors Program, contact the Director of the Honors Program, Dr. Liz Brannon, [ebrannon@psych.upenn.edu](mailto:ebrannon@psych.upenn.edu)

You will be notified of the decision about your application by the end of Advance Registration.

***Important note: If you are accepted into the Honors Program, Ms. Claire Ingulli will contact you with instructions for adding the Honors Seminar PSYC 4997 (0.5 cu) and the research credit PSYC 4999 (1 cu) to your schedule. Please note that PSYC 4997 meets on Mondays 1:45-4:45pm for the full academic year.***

*While the standard psychology major requires 13 credits, honors students will graduate with 15 credits total for the major. This includes 2 semesters of the Honors Seminar PSYC 4997 (0.5 cu each semester), and a second statistics class.*
